“The least I can do is speak out for those that cannot speak themselves” Jane Goodall

Templestowe College Year 12/ 2026.

About me

I am a hands-on person who is caring, kind and creative. Since year 8 I have been involved in the animal's programs that include poultry, birds, reptiles and helped out on farm. I have responsibilities at my school for animals. Currently I am head of poultry, known as “feathers and fur” at Templestowe College and help out whenever I am needed to make sure the animals, pigs, ducks, lamas, chickens, for example are cared for. this year i was chosen for the role of VCE vocational major learning area leader, in this role the purpose of the Student Learning Area Leader is to work with other Learning Area Leaders on the development and implementation of curriculum initiatives and events, promoting the learning area and assisting in engaging the school community.

Achievements

2016 THPS Photography Award.
